A diagram showing a 1x6 Technic beam with a 1x2 Technic beam attached to its end. The 1x6 beam is light gray with six black circular holes. The 1x2 beam is also light gray with two black circular holes. The 1x2 beam is shown being attached to the end of the 1x6 beam.

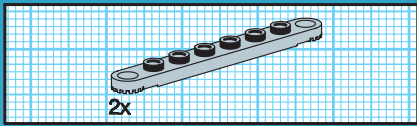

A diagram showing a blue 1x2 Technic beam being inserted into a black 1x3 Technic beam. The blue beam is shown in two positions: one above the black beam with an arrow pointing to the connection point, and another already inserted into the black beam.
